Subject: RE: Tx SSM SIP Call Withdrawal Proposed approval and HGB 2008 O3 VOC and RACT final action

It's in prepublication review. Should be ready on time.

Also, I was told by Rick Bartley there was likely to be last minute changes to the Tx SSM w/drwl to please OGC which would likely cause us to need to change some of the wording in the HGB RACT rule. Any word on that?

Robert

David will sign Tx SSM SIP call withdrawal on Monday, April 22, so please have it ready to go and to him first thing Monday.

Also, have the Houston/Galveston/Brazoria 2008 O3 VOC and RACT final action ready for his signature by Wed April 24.
